Subject: Notification of Approval of Notice of Intention to Commence Large Mining Operations,
Geneva Rock Products, Sage Canyon Mine, M/049/0071, Utah County, Utah

Dear Sir or Madame:

Prior to issuing final approval of a Notice of Intention to Commence Large Mining Operations (Notice), the Division of Oil, Gas and Mining (Division) is required to mail a copy of the abbreviated information and tentative decision to the owners of record of the land to be affected by the mining operations. Fox Ridge Investments dba Mountain Cove Investments II LLC (Fox Ridge) is identified in the Notice as an owner of both surface and mineral within the area to be affected by the Sage Canyon mine. Tentative approval for the Sage Canyon mine was issued September 9, 2009, but it appears Fox Ridge was notified of this action.

By this letter the Division is notifying Fox Ridge of its approval of the Notice. A copy of the tentative approval notice and the final approval letter are enclosed. No later than 30 days after receipt of this letter, please notify the Division whether you have concerns about the operation or if you would like to protest the Division's action. No action is required if you have no objection.

I apologize for the oversight. Please contact me at 801-538-5261 or by e mail at paulbaker@utah.gov if you have questions about this letter.

Sincerely,

Paul Baker
Minerals Program Manager
